Dear Members and Friends,

We begin with another reminder to “save the date” of the Society Holiday Party, which is Monday, Dec. 3, from 6 p.m. to 8:30 p.m. Our thanks to Margaret Loesch, who has so graciously agreed to host the party at her home. And please continue to invite friends and neighbors who are not members of the Society to become members by paying dues at the door, enabling them to attend the party. Many volunteers are hard at work to make this party a great event.

Three new Trustees will be elected at our General Membership Meeting on Nov. 12, 2018. The slate of Nominees as presented at the October meeting are Isiah (Ike) Edwards, Tom Pritchard and Wilma Rizzardi. Trustees who will be going off the Board are Joy Burke, Virgil Harris and Lauri Wood. The Board extends thanks and appreciation to those individuals for their years of dedicated service.
